

BOC

BRIGHTON 2026
24 – 26 SEPTEMBER

SPONSORSHIP & EXHIBITION BROCHURE

WELCOME FROM DR SIMON WATKINSON CHAIR OF THE BOC 2026 COMMITTEE

As the newly appointed Chair of the British Orthodontic Conference (BOC), I am delighted to invite you and your company to join us at the 2026 Conference, taking place in the dynamic and vibrant city of Brighton from 24–26 September.

As the BOC continues to evolve, we are committed to working more closely than ever with our commercial partners. We recognise that delivering an outstanding conference for our delegates goes hand in hand with providing meaningful and valuable opportunities for our partners to showcase their businesses. In response, we have expanded our sponsorship offerings for 2026, creating enhanced opportunities for engagement through a variety of settings – from small, intimate spaces to larger theatre-style environments designed to maximise audience interaction.

Brighton is an exciting and culturally rich city, and this energy will be reflected in our social programme. These events will offer additional, informal opportunities to connect with delegates in innovative and enjoyable ways.

We have already confirmed an exceptional programme of international and UK speakers, covering a broad range of topics including multidisciplinary care, fixed appliances, aligners, wellbeing, resilience, and clinical leadership.

I encourage you to review this prospectus carefully and identify the sponsorship package that best aligns with the objectives of your organisation.

I look forward to welcoming you to the Brighton Centre in September for what promises to be an outstanding conference.

Best wishes, Simon

Dr Simon Watkinson

WELCOME FROM DR ANSHU SOOD

Sponsorship Coordinator, BOC Committee

Welcome to BOC 2026!

We are very much looking forward to welcoming you to the vibrant seaside city of Brighton. For those who have joined us here before, you will remember that the British Orthodontic Conference consistently attracts strong delegate numbers, drawn by both the quality of the programme and the opportunity to spend a few days by the sea.

Preparations for BOC 2026 are now well underway, and we are excited to share our sponsorship opportunities with you. Building on the success of our 2024 and 2025 meetings, BOC 2026 will offer even greater access to a growing and highly engaged delegate audience. The exhibition hall will remain a central hub of the conference, providing valuable space for delegates and industry partners to connect, network, and explore the latest innovations shaping orthodontics today.

This year, we are introducing a refreshed exhibition format, moving to a pod-based scheme that reflects evolving best practice across major conferences. This approach has been designed to simplify stand requirements while maintaining strong visibility and accessibility. By reducing the need for complex stand builds, we hope this will allow you to focus your resources on what matters most – meaningful engagement, education, and interaction with delegates.

We continue to offer a range of sponsorship packages – Diamond, Platinum, Gold, Silver, and Bronze – each carefully structured to provide high visibility and impactful opportunities to connect with attendees. Given the continued growth and success of the conference, we anticipate strong demand for sponsorship opportunities for 2026.

Dr Anshu Sood

At the BOS, we greatly value our longstanding partnerships with industry leaders. Your support plays a vital role in the success of the British Orthodontic Conference and our wider programme of events throughout the year. We are committed to working collaboratively to ensure that your involvement delivers real value and a positive experience.

We would be delighted for you to join us at the UK's flagship orthodontic conference and continue our shared journey in supporting and advancing orthodontics in the UK. If you have any questions or would like to discuss the sponsorship options in more detail, please don't hesitate to contact Claire, our Events Manager, or myself.

Thank you for your continued support. We look forward to working with you at BOC 2026 and beyond.

Best wishes, Anshu

GENERAL INFORMATION

DATES

Thursday 24 - Saturday 26 September 2026

ABOUT THE CONFERENCE

The British Orthodontic Conference is renowned for being the premier event for orthodontic professionals in the UK providing a dedicated space to meet, learn and collaborate amongst peers and colleagues.

The conference and associated exhibition has grown substantially over the years and continues to maintain a friendly and warm atmosphere. Our delegates welcome the invaluable support that the exhibitors give to the conference and that they are able to learn more about the latest innovations and techniques within the orthodontic world.

This year's conference, chaired by Dr Simon Watkinson, will be held at a much-loved BOC venue—the Brighton Centre. Situated directly on Brighton's seafront, the venue offers stunning sea views and is conveniently located within easy walking distance of major hotels, restaurants, and top local attractions.

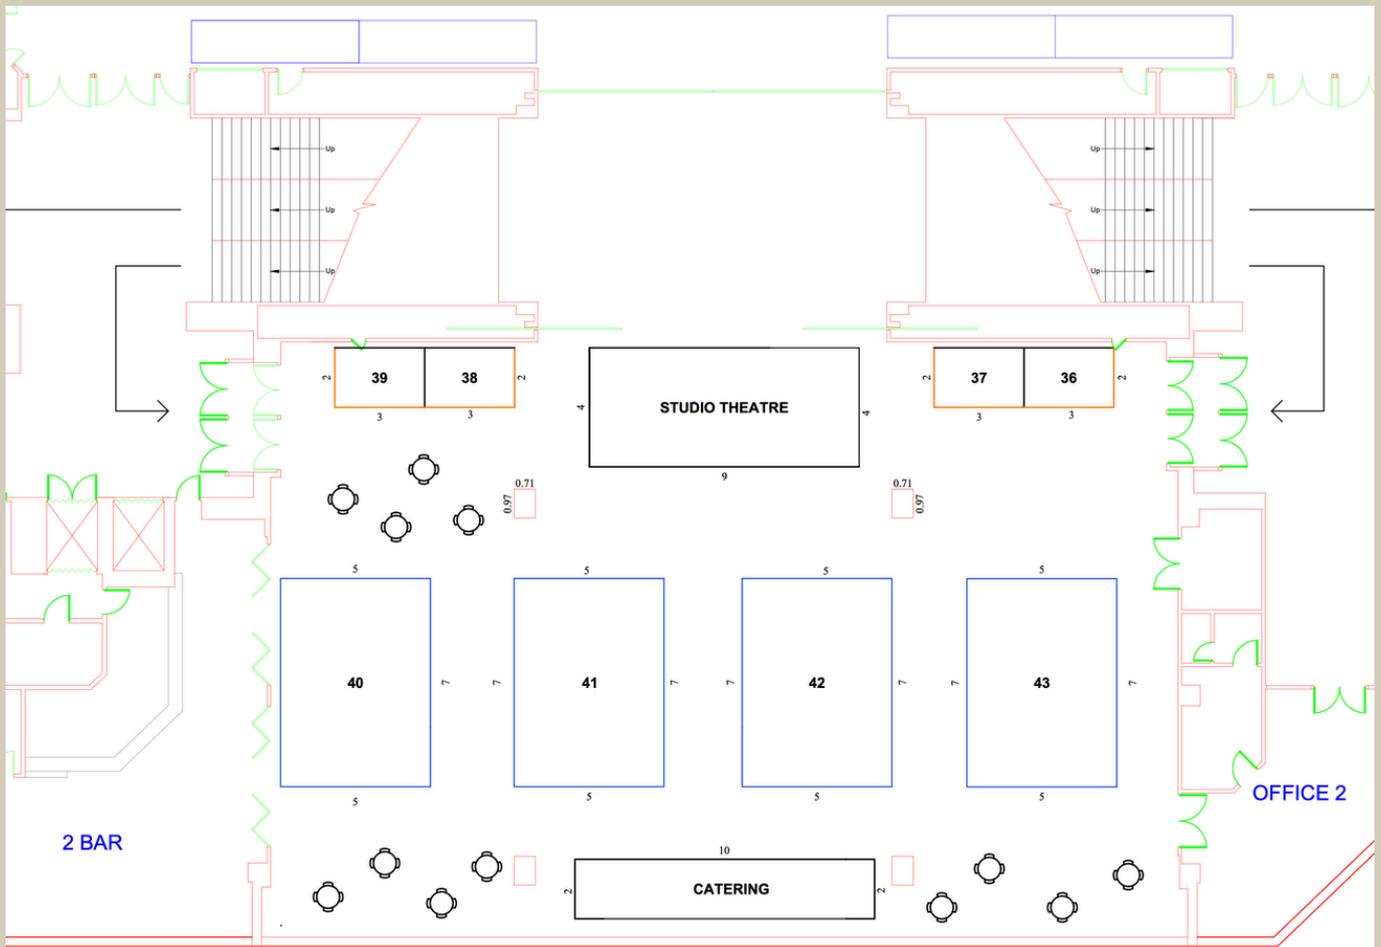

We hope that you will join us at BOC 2026 which this year will include an outstanding scientific programme offering comprehensive insights within the field, showcasing exhibition and sponsorship opportunities designed to enhance professional knowledge and skills.

The event is crucial for networking, learning, and staying updated on the latest in orthodontics.

EXHIBITION LAYOUT FIRST FLOOR

The exhibition will take place across two areas of the Brighton Centre, with stands located on both the Ground Floor and the First Floor. Catering and networking opportunities will be located in both areas drawing delegates to both spaces.

WHY SHOULD YOU EXHIBIT AT BOC 2026?

The British Orthodontic Conference is the only conference in the UK dedicated to orthodontics.

If you are a company that provides orthodontic supplies/services or dental materials relevant to orthodontics, then it is a must attend event.

In a friendly environment, you and your team will be in front of a specialist orthodontic audience and decision makers – meaning you can generate high quality sales enquiries and an excellent return on your investment.

Specialists in Practice
Consultant Orthodontists
Training Grades
Orthodontic Therapists
GDPs undertaking orthodontics
Dental Care Professionals

Over the last decade, more than 15,000 unique visitors have attended the number one event for those interested in orthodontics in the UK.

Don't miss the opportunity to meet face-to-face and virtually with committed dental professionals.

BOC2026 EXHIBITION FORMAT

BOC 2026 is committed to continuing to deliver an even better value proposition for our partners and will be offering a host of opportunities for companies to create and build relationships within the orthodontic community.

We have made some changes to the Exhibition format this year and will be moving to a pod-based scheme which will replace the larger free-stand build of previous years. This approach has been designed to simplify stand build requirements while preserving strong visibility and accessibility. By minimising the need for complex stand builds, we hope this will allow exhibitors to focus your resources on what matters most— meaningful engagement, education, and interaction with delegates. We ask you to utilise this gap to promote yourself in more innovative and dynamic ways

Smaller shell scheme stands will still be available to purchase as per previous years.

We continue to offer a range of tiered sponsorship packages — Platinum, Gold, Silver and Bronze— designed to deliver strong visibility and meaningful engagement with attendees. Building on the conference’s continued growth and success, we anticipate high demand for 2026 sponsorship opportunities.

Sponsored Satellite Symposia

In recent years, the BOC has introduced the ‘Trade Theatre’ concept, giving sponsors the opportunity to deliver their own content and host hands-on sessions for a dedicated BOC audience. At BOC 2026, these sessions will grow and continue under the new name ‘**Sponsored Satellite Symposia**’. The sessions will be held in a dedicated event space, adjacent to the main exhibition area, allowing companies to reach a wider audience while still providing a focused environment for engaging with delegates.

These sessions will run during breaks in the main programme to avoid scheduling conflicts and maximum attendance. A standard A/V package will be included in the price. Available with the packages on a first come, first served basis.

WELCOME RECEPTION

Welcome Reception in the Exhibition Areas on Thursday, 24 September

A Drinks Reception will be held for all delegates, exhibitors and sponsors on Thursday evening after the first day's lectures.

The event will start at 5.00pm and provides a great opportunity to network and meet with existing and new customers.

EXHIBITION & SPONSORSHIP OPPORTUNITIES

BOC 2026 is pleased to offer exhibition space at the following rates. Please refer to the floorplans for available space.

The stand fee for both stand space only and shell scheme includes the following items

- 100-word company/product profile on the website and app
- Company name on exhibition signage during the conference
- Exhibitor badges according to the stand size.
Badge allows access to scientific sessions and catering functions included with conference registration.
- Daily cleaning of public areas and gangways

All sponsorship packages include catering and social event tickets for all companies based on the size of the space chosen.

Stand-space only Pod stands will include

- Stand build and production
- Branding
- Strip Lighting
- Power – 1 x 500w single socket
- 1x 55" TV screen with power supply
- Furniture package consisting of 2 x tub chairs and 1 x coffee table.

Shell scheme packages include

- Shell scheme frame, basic lighting and power
- One table and two chairs
- Fascia panel with standard lettering

Extra items for all stands will be available to purchase as required in the Technical Manual

PLEASE NOTE: ONCE A SHELL SCHEME HAS BEEN BOOKED THERE IS NO OPTION TO CONVERT TO SPACE ONLY.

SPONSORSHIP PACKAGES

There are 5 different levels of sponsorship packages available to meet the needs of our sponsors. All costs indicated below are ex VAT

Exhibition space will be assigned on a “first-come, first-served” basis according to the date of the exhibition space booking and the date of receipt of payment. Please refer to terms and conditions for payment terms.

Our sponsorship packages are designed to provide all key elements to maximise your exposure at the conference. However, if your requirements don't fit the mould, we can customise your package to suit you so please do not hesitate to be in touch with our Events Manager, **Claire Joffe** at eventsmanager@bos.org.uk

PASSPORTS FOR PRIZES

The BOC is excited to offer our exhibitors and sponsors the opportunity to participate in the popular 'Passport for Prizes' competition which will be held over the 2.5 days of the exhibition. Guaranteed to boost traffic within the exhibition area, delegates will visit participating stands to win prizes from sponsors.

We encourage all exhibitors to contribute prizes to the passport competition. Every exhibitor will be able to draw the winner of their prize.

Further details on how to participate will be sent out separately to all Exhibitors.

SPONSORED SATELLITE SYMPOSIA

Two Sponsored Satellite Symposia slots will be offered to interested companies as parallel sessions on Thursday 24 September in conjunction with the main programme which starts at 10:30 am.

These slots will be offered for 2 hours and are available on a 'first come, first served' basis. Bookings can be made once the online portal is open

The opportunities are endless with free reign to promote your company in the way that best benefits you. We provide the co-ordination and you run the courses you wish. In the past, the sessions have been used for hands on training courses (CBCT/TADs/Wire Bending etc).

We strongly recommend that interested companies plan their programmes in good time before the conference so that all delegates can plan accordingly.

A provisional title must be provided no later than 31 March 2026 so that the session can be promoted in good time.

SS1	Thursday 24 September	1 x Satellite Symposia Slot for 120 minutes to be held on Thursday morning	£9,500
SS2	Thursday 24 September	1 x Satellite Symposia Slot for 120 minutes to be held on Thursday morning	£9,500

All costs indicated above are ex vat.

Bookings can be made on the online portal from 20 February 2026.

SPONSORSHIP OPPORTUNITIES

Additional sponsorship opportunities are available for all companies to further enhance their profile at the BOC.

Booking for these items will be available online from 20 February at 10:00 am.

Opportunities include:
